

Quote:

The real source of wealth and capital in this new era is not material things. It is the human mind, the human spirit, the human imagination, and our faith in the future.

-Steve Forbes

New World Innovation

"There is truly nothing more risky than not innovating, with the possible exception of confusing innovation with something that fails to create value."

- Ruth Ann Hattori & Joyce Wycoff "InnovationDNA" Training & Development Magazine

- Do you know why the highly acclaimed creativity centers at Lucent, Ford, Polaroid, and RJ Reynolds no longer exist?
- Do you know about the fundamental shifts that describe the new way of leading innovation in major organizations?
- Do you know how to lead and manage innovation in your organization so that it's not just another program of the month?
