Quote:

The intellect has little to do on the road to discovery. There comes a leap in consciousness, call it intuition or what you will, and the solution comes to you and you don't know how or why.

-Albert Einstein

Five Tips To Engaging Employees

By Kevin Burns

Employee disengagement and unhappiness can result in lower productivity, which affects the financial side. However, lack of employee retention also can result, with its many costs for replacement: recruiting fees, overtime pay to those covering job duties, ramp-up time for replacements, as well as outplacement fees and continued benefits if termination occurs. Here are five tips to ensure you get the best from your people:
