

Innovative Communities Project

March 2006

The Kings Innovation Council Terms of Reference

1. The Innovation Council shall be comprised of a group of innovative thinkers from a variety of economic sectors.
2. The Innovation Council will develop the project's strategic plan and be the champion of innovation in Kings County. This plan will be executed by the Innovative Communities Coordinator.
3. The Innovation Council will meet to monitor progress as well as to provide new creative suggestions as the project evolves.
4. The Innovation Council will help develop concepts to be included in the written resource material created by the Kings Innovative Communities Coordinator to help businesses with innovation.
5. The Innovation Council will play an active role in the development of an innovation event(s) and/or other initiatives from the strategic plan. Active organization of events will be completed by the Kings Innovative Communities Coordinator.
6. The Innovation Council will evaluate the success of the project and provide input for the final report to be completed by the Kings Innovative Communities Coordinator.
